Guy Harvey Collection

Introducing
The Guy Harvey Collection by Artaic

In collaboration with the world renowned marine wildlife artist and conservationist, Artaic transformed Guy Harvey's captivating work into the mosaic medium. The result is an extraordinary collection that captures the mesmerizing beauty of the ocean and its inhabitants. Artaic presents select designs translated into glass mosaic murals and medallions.

The collection is available in the following formats:

- **Mosaic Medallions**:
  - Small Medallion: 48" round, made from hand-cut smalti glass, covering 12.58 square feet.
  - Large Medallion: 72" round, also crafted from hand-cut smalti glass, covering 28.28 square feet.
- **Mosaic Murals**:
  - Small Mural: 8'h x 9'w, composed of ½" vitreous glass tiles, covering 72 square feet.
  - Large Mural: 8'h x 16'w, created with 80,000 ½" vitreous glass tiles, covering 128 square feet.

Artaic also offers bespoke consultations for clients interested in custom projects, enabling personalized adaptations of Guy Harvey's artwork in various sizes and tile types, including stone and glazed porcelain.
